Khaled Nassar

Work Experience

- Create websites from zero to deployment based on UI and UX principles

- converted many PSD designs into real websites using HTML, CSS, and JS and I was interested in making these websites responsive on all screens using responsive design methods.

- Designed dynamic and interactive pages using HTML5, CSS3, JS.

Skills

HTML5 - CSS3 - Javascript

Education & Certifications

- Bachelor's degree from University (FCI-ZU) ⧉
